

A renowned fortune-teller answers key questions in matters of the heart.

Using the wisdom of the cards, Eva Angewelt has accompanied many clients, some of them very eminent, on their path to achieving a fulfilling relationship. The fascinating case studies from her practice will help readers gain increased self-awareness, discover their real needs and take control of their destiny, finding happiness in the process. With suggested action plans and concrete advice, the author helps to make the dream of true love come true.

→ The guide to resolving all questions of love, with practical tips and many celebrity case studies

Eva Angewelt is the pseudonym adopted by a famous fortune-teller who uses the wisdom of the cards to help her many clients. In her private practice she has also advised many celebrities – amongst others the German actor Robert Atzorn and the television presenter Alexander Mazza. The author also organises corporate and press events. She lives and works in Munich.
