

A small town. An ideal man. The devil is spreading trouble in a little Swiss town in the guise of the exceedingly charming, clever and elegant Henry; he is thoroughly fed up with his role as the embodiment of evil, particularly as he knows only too well that humans also have a demonic side. So Harry embarks on an underhand game and uses his wit, charm and cunning to infiltrate the seemingly perfect harmonious atmosphere of the small town, which is really seething under the surface. When he gets the inhabitants to reveal their own dark sides, only the former dancer Rosa suspects who he really is. She challenges him to a duel ...

→Satanic seduction: a fantastical and sensual study of the evil that is in all of us

Andreas Sommer

THE DRAGON IN THE SKY

Novel

Approx. 360 pages, 14,6 x 22,0 cm

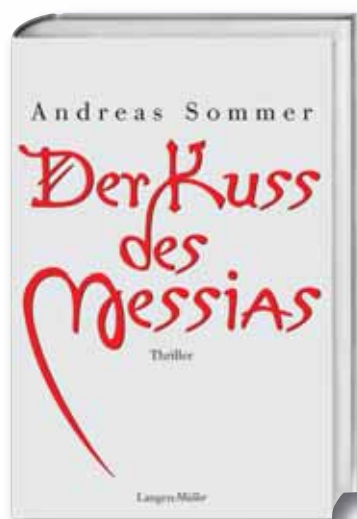

Hard cover with dust jacket

ISBN 978-3-7844-3214-4

After completing his studies in psychology and business administration, **Andreas Sommer** went on to set up the media office for Berne University and founded several private schools in Switzerland and England. He has been writing plays and scripts for television and film for 15 years. »Messiah's Kiss« was his sensational debut novel. The author divides his time between Switzerland and France.

»Both a linguistic achievement and an exceptional thriller from a German author.«
